

2010

**MENTAL HEALTH
HIV/AIDS &
HCV COINFECTION**

**A RESOURCE GUIDE
FOR
FRONT-LINE WORKERS**

The Pacific AIDS Network 2010

Acknowledgements

This training was possible through the generous support of the Public Health Agency of Canada, the Provincial Health Services Authority and the Pacific AIDS Network.

A very special acknowledgement and gratitude to:

- ❖ Janice Duddy and Sean Nixon from the Provincial Health Services Authority for their continued efforts of mental health and HIV/AIDS and HCV.
- ❖ The BC Mental Health and HIV/HCV Working Group for their suggestions to the Training Agenda and for their assistance with editing the Resource Guide
- ❖ Rosalind Baltzer Turje and Barbara Wells for their vision and ideas in designing the Training Workshop
- ❖ BCPWA for their leadership and workshop suggestions around Persons living with HIV/AIDS
- ❖ Gail Butt, Sandi Mitchell and Deb Schmitz for their input and suggestions related to Hepatitis C and Mental Health
- ❖ Karen Leiman for her suggestions regarding addictions / substance use
- ❖ Susan Dann for designing an evaluation process for the training
- ❖ Darren Lauscher and Rosalind Baltzer Turje for their superb facilitation skills
