

## Membership Application

### Important Information:

Thank you for your organization's interest in joining the Pacific AIDS Network (PAN). PAN has two classes of members, **full/voting** members and **associate** members.

PAN's policy regarding membership may be found beginning on page 4 of this form. Please read this policy, as it outlines the procedure of Board endorsement of any membership application for either full or associate membership status.

Submitting this form does not mean that your organization has become a member. An application for either full or associate membership must be moved by an existing member agency at a PAN Annual General Meeting (AGM), and must be accepted by majority vote (ordinary resolution) of PAN's membership at that AGM.

Please read PAN's Constitution and By-Laws (<http://pacificaidnetwork.org/about/constitution-and-by-laws/>) before completing this membership application.

The submission of this form no less than 30 days before an Annual General Meeting ensures that the application for membership will be moved and discussed. **Please note this form will be presented to all of the voting membership as part of the notice package for the AGM.**
